

## Ideas to inspire and support class management

	<p><b>Remind (free)</b> A free app to communicate with parents, without sharing phone numbers or email addresses. Teacher sets up the account and give a code for parents to join the class from the app, or to get emailed updates. Teacher send reminders and updates to the enrolled parents. Chat feature between teacher and parent can be enabled or blocked.</p>
	<p><b>Instashare (free)</b> Send files and photos instantly between devices. You can download it for a Mac or PC (small cost) to share between laptop and ipads.</p>
	<p><b>airScan (free)</b> Create pdf documents using the camera on your iPad</p>
	<p><b>Showbie (free –free account set up required)</b> Share resources with pupils on their iPads instantly, pupils can hand work in via the iPad, give feedback, leave comments and create a digital portfolio.</p>
	<p><b>SeeSaw (free)</b> Create your class account, then pupils can add photos of their work, video, web-links and comments to their digital portfolio. Class Blogs can be created directly from the app and parents can be given access to view and comment on their child's work.</p>
	<p><b>Verso (free)</b> Pose questions, and share ideas sparked by a video. Pupil's comments can remain anonymous to the peers, with only the teacher being able to view names.</p>
	<p><b>Socrative –teacher and pupil apps (free)</b> Once your teacher account is created (free) create interactive quizzes, questionnaires and exit tickets, for pupils. Gain live feedback on their answers.</p>
	<p><b>Hwb (HWB+ account required)</b> Use the OneDrive via HWB in ipads to share files and folders between other HWB+ users, including pupils.</p>

A great website for discovering new apps is [www.apps4primaryschools.co.uk](http://www.apps4primaryschools.co.uk)
